

WE WANT YOU AND YOUR FIERO!!!

To appear in our award winning Fiero Focus Magazine

We want to hear about you and your Fiero. How did you and your Fiero meet? How are you getting along? I am sure you have seen our Meet-A-Member articles in the award winning Fiero Focus Magazine. Now it's time for you to share your Fiero stories with the rest of the N.I.F.E. world and be included in an upcoming Fiero Focus issue ***in color!*** All you have to do is answer the "Meet-A-Member Survey" questions below, take a picture ***of you and your car,*** and send it along with the survey to:

We will then create your "Fiero Bio" and send it back to you for your review and proofing. It's just that simple; it's easy. You don't have to be an author, writer, or good speller. Just supply "The Facts". We look forward to hearing from you. If you want to call me and discuss the article before you begin, feel free to do so at 630-462-9441. You can also access the survey on-line by scanning the QR code.
